

## PLAY'N GO FOR MOBILE GAMES!

The mobile entertainment industry is a massive growth area with vast revenue potential for both game operators and brand owners. Through Play'n GO, you can give your customers the convenience of deciding when and where to play, allowing them to choose from a selection of the most entertaining and attractive casino-style games on the market!

Games are available as web apps for the Apple iPhone and iPad as well as phones and tablets with Android 2.1 or higher. Our smallest game format is ideally suited to mobile devices.

We also offer games in mini game and full-size formats to rejuvenate your web site. All games are currently available in 26 different languages, and games in new languages are continually being released.

## PLAY'N GO FOR GREATER INSIGHT

Play'n GO offers not only games, but also provides you with an easy-to-use back-office tool to efficiently manage your gaming business.

With straightforward access to real-time and recorded data presented in clear, structured reports, you can easily identify consumer trends and game performance, equipping you to better adapt your business strategy to meet market needs and maximize revenue.

**JOLLY ROGER**

This 5-reel, 15-line slot leads you on a seafaring adventure. The game includes a valuable wild symbol, a scatter symbol and two separate bonus rounds, in which you will enjoy digging for buried treasures and choosing pirate chests.

**BLACK JACK**

Classic games like blackjack never lose their popularity. Trust Play'n GO for realistic table games in traditional and innovative variations to impress and inspire your customers.

**COPS 'N' ROBBERS**

Cops 'n' Robbers is another thrilling, feature-rich 5-reel slot from Play'n Go. The bonus round is an action-packed car chase in which you play the bad guy. Your goal is to make a clean getaway to double your bonus loot.
