## **New mobile video slot from Play'n GO**

Play'n GO, developer and supplier of cutting-edge software and solutions to the interactive gaming industry is proud to announce the release of a new multi-line slot game for the mobile channel. The slot game is available for play using any Apple iOS, Android, Blackberry or Windows 7 device.

Fortune Teller mobile version is a 5-reel, 20-line slot game and is one of the top performing slots in Play'n GO's current flash games portfolio. "Fortune Teller has a proven track record of success online and it is with great pleasure that we now are able to offer it through the mobile channel as well", says Johan Törnqvist, CEO of Play'n GO.

"By this addition Play'n GO now offers a total of 18 games all supporting most Tablet and Smartphone devices, and we will continue to broaden our portfolio of mobile games. With 18 games available in 26 languages for all platforms we have one of the strongest offerings on the market to date" adds Robert Skogh, Business Development Director of Play'n GO.

All mobile games can be played instantly connecting from any Tablet or Smartphone. The games automatically adjust for the device used.
