

5/31/11

Play'n GO Games licensed for Norsk Tipping.

Play'n GO, developer and supplier of cutting-edge entertainment products to the online gaming industry, announces that the company will provide existing as well as newly developed casino games to the multix gaming terminals operated by Norsk Tipping in Norway.

“It’s a big thing for us as a longtime provider of online games to finally have our IPR available to players of video lottery terminals and we look forward to a great cooperation between us and all parties involved in this deal says Johan Törnqvist, CEO of Play’n GO”

“This marks a new era for Norsk Tipping and Multix” says Torbjorn Almlid, CEO of Norsk Tipping. “It is important for us to offer exciting and entertaining games that meet the expectations of customers playing Multix”. “We aim to continue our success with Multix and keep generating profits for good causes while minimising problem gambling.”

The Play’n GO games are provided to Norsk Tipping via a partnership with Genera Networks and Microgaming.

About Play’n GO

Play’n GO designs and develops top-quality online gaming applications ready for express distribution through a multitude of popular media. Invite your customers to enjoy engaging casino, bingo and lottery games directly through their Internet browsers, on their mobile phones, on video lottery terminals (VLTs), and on interactive television. With a solution from Play’n GO, your customers are not compelled to endure time-consuming downloads before the fun can begin; Just click *PLAY* and *GO*!

Games and other products from Play’n GO can be uniquely customized to suit your organization and the style of your brand. Trust Play’n GO for smart, speedy solutions that constitute strong, steady online gaming operations.
