Play'n GO Releases New Games and Now Speaks Spanish

Just in time for the holidays, Play'n GO wraps up and delivers a new, upgraded version of its instant-play gaming software. Casino 1.75 includes three attractive new casino games, ready to be enjoyed. No assembly required!

Speed Cash

This 3-reel slot game is all about cash and cars. The wild red race car symbol helps you comprise winning combinations. Get three to drive home with the progressive jackpot! Playing *Speed Cash* is like making a quick, albeit thrilling, run to the ATM.

Bell of Fortune

This classic 3-reel slot game is based on *Liberty Bell*, the ancestor of all modern slot machines as it was the first in the world to offer automatic cash payouts. Like its predecessor, the new *Bell of Fortune* slot is destined to become the favourite of millions!

Multi-Hand Video Poker

If you enjoy video poker, but want to up your excitement, play *Multi-Hand Video Poker*. In each round, you have the chance to win on 10, 25, 50 or 100 different hands with the held cards in common.

Play'n GO's instant-play casino software and bingo software are now available in Spanish as well as English to appeal to a wider audience. "We will continue to broaden our product portfolio with innovative games and new languages. Our games are tailored to suit a variety of different distribution channels for the broadest reach," says Martin Zettergren, Vice President of Products at Play'n GO. "We've had a fantastic year at Play'n GO. As 2008 comes to a close, the entertaining new games should add a bit more joy to the season for our clients and their customers."

About Play'n GO

Play'n GO designs and develops top-quality online gaming applications ready for express distribution through a multitude of popular media. Play'n GO offers its clients engaging casino, bingo and lottery games that end customers can enjoy directly through their Internet browsers, on their mobile phones, on interactive video terminals, and on interactive television. With a solution from Play'n GO, online customers are not compelled to endure time-consuming downloads before the fun can begin; They just click *PLAY* and go!

Through Play'n GO's comprehensive *Gaming Administration Toolkit* (GAT), operators can manage all interactive games, customers, affiliates, payments and marketing activities through a single, all-integrating system. GAT provides easy access to information and functions that control all vital areas of a gaming business.

Games and other products from Play'n GO can be customized to suit an organization and the unique style of its brand. Play'n GO prides itself on creating smart, speedy solutions that constitute strong, steady online gaming operations.
