Creative Slots Are Reel Winners in Casino 1.9 from Play'n GO

Leading gaming software and solutions developer Play'n GO announces the release of Casino 1.9, the newest version of its instant-play online casino software. Casino 1.9 adds three exciting new slot games to its extensive interactive casino menu of themed slots, table games, video poker games and others. Casino players will delight in *Cats & Cash*, *Fortune Teller* and *Photo Safari* as well as a handful of new mini slot games that can be enjoyed directly in web sites margins and within other applications.

Cats & Cash

The cool cats that strut along the 5 reels and 15 lines in *Cats & Cash* could care less about mice; they prefer catching cash, jewellery and gold bars! A wild cat helps you comprise winning combinations worth double the prize. You can even earn the chance to participate in two exciting, game show-style bonus rounds. Spin the bonus wheel and open wrapped gift boxes to reveal your bonus cash and purr with pleasure!

Fortune Teller

Your destiny shall be revealed in *Fortune Teller*, a 5-reel, 20 line slot for fortune seekers the world over. Gaze into the crystal ball to win free spins, in which the ball goes wild to help you comprise winning combinations. In the bonus round, your future happiness is assured as the tarot cards are read to determine your bonus prize.

Photo Safari

Pack your camera and head for the African grasslands in *Photo Safari*, a 5-reel, 20-line slot game that allows you to frolic among friendly, photogenic animals. When the drums beat, you can win free spins, in which it is even easier to comprise winning combinations with the help of a wild symbol. In the bonus round, aim and shoot for some extra cash. The better your snapshot, the better your prize!

"For the sake of our clients, we aim to keep online casino players entertained with a steady supply of colourful new games thanks to our creative development team," says Johan Törnqvist, Play'n GO CEO. "Our new instant-play games are the cat's meow - from fancy cats in designer apparel to mysterious black cats to wild cats that prowl the savannah."

Play'n GO also offers an ample selection of instant-play games in small format that can be played directly on any web site or within other applications. The four new mini games for release in Casino 1.9 are *Bell of Fortune*, *Gift Shop*, *Golden Goal* and *Speed Cash*. These thrilling 3-reel slots - which offer players the chance to win a shared progressive jackpot - are available in the standard casino as well as in the mini 160x120 and 160x224 formats.

To appeal to a wide variety of different nationalities, Casino 1.9 can be presented in eleven languages: English, Spanish, French, German, Italian, Dutch, Russian, Swedish, Hungarian, Latvian and the most-recently added language, Portuguese.
